meter: 7676D

Give thanks, my soul for har-vest, for store of fruit and grain; but  
Give thanks, my soul, for rich-es of wood land, mine and hill but  
Give thanks, my soul, for la bours, that strength and days em-ploy; but

know the own-er gives so that we may share a gain. Where  
know that gold and tim-ber are the Cre-a-tor's still. God  
know the Mak-er's pur-pose brings toil as well as joy. Show

peo-ple suf-fer hun-ger, or lit-tle chil-dren cry; with  
lends to us, as stew-ards, a-bun-dance we might share, and  
forth, O God, your pur-pose; di-rect our will and hand, to

gifts from God's rich boun-ty may thank-ful-ness re-ply.  
thus pro-vide earth's child-ren the bless-ing of God's care.  
share your love and boun-ty with all in ev-ery land.
