

**Society of Conservation Biology**  
**Kingston Chapter**  
November 2, 2010

START TIME 2:33 pm

**SOCIAL COMMITTEE**

Halloween Party

- Was a great success – we made \$350
  - Feedback was positive from community members
  - Pictures coming soon onto the SCB facebook page
  - A bit crowded – Monte’s last year may have worked better
    - Could try Kingston Brewing Company (upper level)

Future

- Raffle in winter 2011
  - Get prizes from organic vineyards around Kingston
  - Get Frontenac tickets
  - Only have a couple big prizes (game tickets) and then a handful of smaller prizes
  - **Combine the raffle into the Green Ball Event (door prizes)**
- Green Ball Event
  - Would be a fundraiser event – door prizes
  - Suggested Date: Late January before midterms start
  - Book the venue in December...
  - Start selling tickets in January as soon as school starts again
  - Suggested Location: Zappas
    - Book off the side bar (at the front of the building) – private party
    - Unsure on the details of booking
    - Attracts older community members as well
  - Get Lonnie Aarssen’s band to play (or Chris Eckert’s)
- Trivia Night
  - November event at the Grad Club
  - Suggested Date: Thursday, November 11<sup>th</sup> at 9pm (be there at 8 pm to get a table)

## SUSTAINABILITY COMMITTEE

- Clothing Exchange
  - Now an official AMS club
  - November 23<sup>rd</sup>
  - Volunteers for set-up, putting up posters, going into classes, sorting clothes
  - Advertising
    - Cartoon picture from Vicki of “Climate Change”
    - People exchanging clothes wearing underwear (Vogue models?)
    - Perhaps put posters up
      - Play on words
- Chris Eckert’s Books
  - He said “whenever”
    - We can take them whenever and sort them
    - Donation sign up on the 4<sup>th</sup> floor
      - Advertise to grads and undergrads to “check it out”
    - Contact Julie French about sending to **listserv**

## PROGRAMS COMMITTEE

- Contacted another school
  - Teacher is very interested in doing it but VERY busy
- Sam trying to organize a Young Naturalists event
  - Would have to be in the evening

## EDUCATION COMMITTEE

- No chairs here

## ISSUES COMMITTEE

- November 8<sup>th</sup>
  - Department of EnviroSci having a debate on climate change
  - In the Theological Hall
  - 4 speakers at the event
  - 2 separate debates
- November 9<sup>th</sup>
  - Mathematics Department
  - Alan Wiseman (author of the *World Without Us*) as a keynote speaker
  - From 7-8 pm
- Crude Oil Ducks
  - Ducks are suffering from oil sands mess ups
  - Perhaps putting the ducks down because they are so heavily oiled

## PHOTO CONTEST

- Vicki tagged it onto one of her classes
- Potential Dates:
  - February 28<sup>th</sup> to March 4<sup>th</sup>
  - **March 7<sup>th</sup> to March 11<sup>th</sup> in the BIOSCI atrium**
- Sell the cards through the Earth Centre in the JDUC
  - Contact the Earth Centre to come up with a method
  - Sell them for \$10 for a package of 5 cards (comes with seeds)
  - Volunteers to help selling them
    - Trial Week
      - Do for 1 week long, for up to 2 hrs a day and see if it is successful
  - Sell them in the General Office
    - Take money out of General Office every day

END TIME 3:19 pm
