

Society of Conservation Biology  
Kingston Chapter  
Meeting Minutes  
2:30 PM

### **Wednesday February 6, 2013**

**\*\*We are not planning to have a meeting next week**

#### **Valentine's Day**

- Going to try to start potting the plants either today or Friday
- Pots: \$2. Cards: \$2. Package Deal: \$3.
- February 13<sup>th</sup> – 14<sup>th</sup>, 11 30 – 2 30
- People can do half hour shifts
- Let us know if you want to bake anything!

#### **Photo Contest**

- Ernie Sparks, local photographer that we can try getting in contact with
- Camera Kingston – they are going to open it for submissions
  - o Same price as last year – 399
  - o They are going to close it March 2<sup>nd</sup>
- Should we do a kids category???
- Bateman Print is top prize
- We will need 11 prizes including the Bateman Print
- You can either do online submissions, or a drop box in the BioSci office
  - o We can look to see if someone has a printer paper box

#### **Advertising**

- Posters for the photo contest
- Google Docs may have a previous poster we can work off of
- Should also try to put posters up in areas off of campus
- People can help to hand out posters next week

#### **Issues**

- Ontario Endangered Species Act
- Prepare a petition on how to raise campus awareness
- We can have an outline prepared by next week
- Good news! Pet stores will only sell sheltered animals!

### **Fish and Frogs**

- YMCA and the Boys and Girls club is an option
- Still waiting to hear back from private schools
